K. OF P. DECORATION DAY.

Bathbone Lodge No. 12, Knights of Pythias, and A. J. Lovely Co., No. 34, Uniform Rank, of Paris, will hold their annual Decoration Day exercises in the Paris Cemetery on Sunday afternoon, June 20. They will be assisted by delegations from Cynthiana, Lexington and other surrounding towns. The Knights, subordinate lodge and visitors will form in line at their headquarters and, headed by the Royal Italian Band with the Littlejohn Carnival Co., will march to the Cemetery, where a program of addresses and a musical program will be observed. Addresses will be delivered by prominent members of the order, and graves of deceased members will be decorated.

LOUISVILLE BOOSTERS TO VISIT PARIS, JUNE 11.

Following the recent visit to this section of the Lexington Boosters Club, our city will be invaded on June 11 by a large delegation of business men from Louisville. The delegation will come under the auspices of the Louisville Board of Trade, and will be officially known as the Louisville Heads of Houses Trade Boosters.

The Falls City boosters will leave Louisville on June 1 for a trip through Kentucky, and will reach Paris, at 6:30 Friday morning, June 11, for a brief visit. They will be accompanied by an excellent band, and will pay their respects to the citizens of Paris during their stay. Further notice of the proposed visit will be given to the public through the columns of the local press.

According to a communication received by Mayor E. B. January the visitors will come to Paris in a special train, and will remain here until 9:30 o'clock. The party will be accompanied by Gen. Charles P. Summerall, commander of the First Division, now in camp at Camp Taylor, and the First Division Military Band. They will be met at the L. and N. station, by a reception committee, and A. B. Hancock, president of the Bourbon County Commercial Club, and will be escorted to the court house, where speeches will be made by some of the visitors and by local representatives.

RELIGIOUS.

The Woman's Missionary Society of the Christian church will hold a meeting in the church parlors at 2:30 o'clock this (Tuesday) afternoon. All the members are urged to be present, as matters of importance will come up for consideration. A reception in honor of the new members of the Baptist church will be given by the members of the B. P. Y. U. in the church at 7:30 o'clock to-night. The entire church membership is invited and expected to be present. Out-of-town speakers will be present, and refreshments will be served in the dining hall.

A large audience listened with earnest attention Sunday night to a lecture given at the Methodist church by Dr. R. A. Hardie, who has been in Korea for many years as a missionary. Dr. Hardie gave an interesting account of life in Korea of his work in that country. Dr. Hardie's two daughters have attended the Millersburg College several terms.

At the recent meeting of the Woman's Missionary Society of the Baptist church the following officers were elected to serve for the ensuing year: President, Mrs. Walter Clark; vice-president, Mrs. W. O. Hinton; secretary, Mrs. Ossian Edwards; treasurer, Mrs. W. W. Hinton. The morning was spent in sewing and social enjoyment. At the noon hour a luncheon was served. The business session was held in the afternoon, with the devotional period conducted by Mrs. Gill and Mrs. Collier. The treasurer's report showed the Society had met its full apportionment of \$1,440. Mrs. Arthur Fox and Mrs. Joe James gave an interesting account of the National meeting of the Baptist Convention, at Washington, D. C. The Society will meet again the last Tuesday in June.

CHAUTAQUA TICKETS RECEIVED.

Tickets, both single admission and for the season, for the engagement of the Redpath Chautauqua in this city on July 6-13, have been received by Secretary J. Will Thomas, from the headquarters of the Redpath Bureau.

Secretary Thomas received a letter from Mr. Harry R. Harrison, of the Redpath Bureau, extolling the production of the comic opera, "Pinafore," which will be one of the main attractions at the Chautauqua engagement here. The opera will be presented in its entirety by a cast of all-stars, supported by a full singing chorus of splendid voices. This, in itself, will constitute a mighty drawing card, for who does not love the charming music of "Pinafore"? Mr. Harrison wrote in the highest terms of praise of the company which will present the opera here, and advised Mr. Thomas to tell the people of Bourbon county that "Pinafore" would prove a source of delight. Other Redpath attractions will be on the program, which is one of the best the Bureau has ever put on the road, according to Mr. Harrison.

PRINCETON DAY AT PARIS HIGH SCHOOL.

The presentation of a Princeton banner to the pupils of the Paris High School was the occasion for the gathering of a group of representative Bourbon county citizens, all graduates of Princeton University in the auditorium of the school, yesterday morning at eleven o'clock. On the stage representing Princeton University were Hon. Claude M. Thomas, Mr. John M. Brennan, Mr. Stanley Dickson, and representing the Paris High School Superintendent Lee Kirkpatrick and Miss Dorothy Tingle. The following program was given:

Speech, On Presenting The Picture of Princeton's Buildings, Hon. Claude M. Thomas; Princeton Songs, High School Choir; Speech on Behalf of Princeton University, Mr. John M. Brennan; Speech on Acceptance on the Part of Paris High School, Supt. Lee Kirkpatrick. The presence of these Princeton men with their college spirit makes university life something of a real thing to the High School student. Yale will be next in line.

INFORMATION WANTED

Postmaster J. Walter Payne is desirous of ascertaining the present whereabouts of James B. Ross, resident of Bourbon county. Mr. Payne received a letter from M. H. Mitchell, merchant at Waynesville, asking for information as to Ross' whereabouts. The letter stated that Armonion Ross, a son of Mr. Ross, was critically ill in Waynesville.

PROCEEDINGS OF CITY COUNCIL

At the recent meeting of the Paris City Council, Mayor E. B. January presiding, many matters of interest to the citizens of Paris were taken up for consideration. A feature of the meeting was the presentation of a committee of ladies representing the Federation of Women's Clubs, who presented a protest against the condition of the city's water supply, caused by what they represented to be an insufficient filtration plant. The committee was composed of Mrs. James McClure, Mrs. Fanniebell Sutherland, Mrs. Owen L. Davis, Mrs. A. J. Winters and Mrs. Harriet Minaker, the latter representing the Health and Welfare League. A petition was also presented in the name of the housekeepers of Paris, asking that the streets of the city be oiled, so as to rid them of the almost intolerable dust nuisance.

These matters were thoroughly discussed, pro and con, and a committee composed of the Sanitary Committee of the Council, City Attorney Denis Dundon, Mrs. James McClure, Mrs. Fanniebell Sutherland and Mrs. Owen L. Davis was appointed to confer with Superintendent Newton Mitchell, of the Paris, Water Co., and endeavor to work out a plan for improving conditions with respect to the water supply. The matter of having the city streets oiled was taken under advisement. City Engineer Boener was instructed to make certain necessary improvements in the condition of Duncan avenue.

An extension of time was granted the Paris Gas & Electric Co. in which to lay gas mains on Lylesville street. Permission to give a dance in the U. B. F. Hall, on Eighth street, on the night of Friday, June 11, was granted the Young Men's Colored Social Club. License was granted the Littlejohn Carnival Co. to hold a carnival here the week of June 21-26, under the auspices of the A. J. Lovely Co., No. 34, U. R. K. of P. An ordinance asking authority to increase fares on their city cars from five to seven cents was presented by the Kentucky Traction & Terminal Company, but no action was taken. Layton & Burke presented monthly estimates, amounting to \$4,044.60 for construction work on the South Main street sewer.

City Clerk J. W. Hayden was authorized to draw an order for \$1,500 in favor of the Bank of America for the payment of bonds and interest. Orders were given for \$5,330 for the payment of a steam road roller for the city's use, and for \$377.19 for sewer pipe for sewer construction on Scott avenue. Mayor E. B. January was authorized to borrow the sum of \$15,000 to meet current expenses of the city. The following building permits were granted: Big Four Garage Co., garage at Eighth and High streets, \$10,000; Consumers' Service Station, Tenth and High streets, \$5,000.

FORMER PARISIAN STARTS FAIR IN NEW HOME.

You simply can't keep a good man down, especially if he happens to come from Bourbon county. A former Bourbon county man, John F. Barbee, who moved to Monticello, Ark., several years ago, and established a big stock farm, is now promoting a county fair and trotting meeting on his farm, and meeting with great success. In a letter to THE NEWS recently enclosing check for a renewal of subscription, Mr. Barbee says:

"We are making extensive preparations for holding our fair this fall. I started this fair on my farm, adjoining town the first year I came here, and now it is the largest and best fair in the State, with eighteen counties back of it. We will have an eight-day fair and races in October. I wish our Bourbon county friends could attend."

Enclosed in the letter was a speed program for the October races and a copy of the official program to be carried out at the fair. One of the main features of the fair is a Sunday program, embracing band concerts, community singing, and addresses by the leading ministers of that section of Arkansas.

NEGRO DROWNED

While bathing in Stoner Creek, on the Xalapa Farm, near Paris, B. Washington, aged twenty-three, a colored laborer, was seized with cramps and drowned before help could reach him. The body was recovered and taken in charge by a firm of colored undertakers of Paris, and interred in the Paris colored cemetery. Coroner Davis was summoned and after an investigation, before a jury, gave a verdict in accordance with the facts. Washington came here from Alabama.

PARIS PYTHIANS ASSIST CYNTHIANA DECORATION DAY

About thirty members of the Paris Lodge Knights of Pythias, from the Uniform Rank and the subordinate lodge, accompanied by several members of the Odd Fellows lodge, and a number of former service men, members of Bourbon Post American Legion, went to Cynthiana, Sunday afternoon, where they participated in the Decoration Day exercises.

The exercises at Cynthiana were in charge of the Stephen B. Whalen Post, American Legion, the Cynthiana Lodge I. O. O. F. and Quinby Lodge, K. of P. The organization, with the visiting delegations, met at their headquarters, where they formed in line. Headed by the Elk Lick Band and the Beaver Band, of Harrison county, they marched to Battle Grove Cemetery, where each lodge used its ritualistic service over the graves of their departed brothers. The American Legion honored the memory of six soldiers, fallen in the recent war, buried in Battle Grove Cemetery. The lodges decorated the graves of their departed members.

BOURBON GUN CLUB'S OPENING DAY SUCCESS.

Memories of the old days when the grounds of the Hill Top Gun Club, near Austerlitz, was the Mecca for trap shooters, were revived Friday at the opening shooting tournament held on the ground of the newly-organized Bourbon Gun Club. The grounds are conveniently located on the banks of Stoner Creek, near the city limits of Paris, and are admirably adapted for the purpose.

The opening day was a success in every particular. Twenty-five squads of trap shooters, five to the squad, composed of some of the most noted shots in the county, and from outside gun clubs, participated in the shooting at clay targets. The "high gun" scores were made by F. B. Hills, of Lexington, who scored 95 out of 100; H. J. Strother, of Winchester, with 91 out of 100; and H. N. Kirby, of Urbana, Ohio, with 91 out of 100. The contests were witnessed by a large number of spectators. The program began at two o'clock, and lasted until six. The next tournament will be held on the Club grounds on Friday, June 11, when a varied program will be presented for the shooters.

PURSE-SNATCHER IN TOILS

While delivering goods at the Sweet Shop, Friday afternoon, John Clay, colored, aged fourteen, employed by a local delivery firm, gathered to himself a purse belonging to Mrs. Clyde Keller, containing a sum of money and some papers. Suspicion falling on him, Patrolman Robert Lusk went in pursuit and placed him under arrest. Clay confessed to getting the purse, and took the officer to the home of Charles P. Cook, on Cypress street, where he had thrown the purse into the cellar, with the evident intention of securing it later. The purse contained a five-dollar gold piece, a five-dollar bill, and some small change. Clay was sent to jail. He admitted being the one who stole Miss Caroline Roseberry's diamond ring some months ago, which was returned in a mysterious manner.

An Ordinance

PROVIDING FOR A BOND FORM FOR THE \$35,000.00 SCHOOL IMPROVEMENT BONDS AND ALSO PROVIDING FOR THE LEVY OF A TAX FOR INTEREST AND SINKING FUND PURPOSES.

BE IT ORDAINED by the Board of Council of the City of Paris, Kentucky, that,

WHEREAS, by virtue of an ordinance duly passed by this Council upon the 25th day of March, 1920, bonds were authorized to be issued in the sum of \$35,000.00, and

WHEREAS, said bonds have been duly advertised for sale and have been sold, but not yet executed and delivered,

THEREFORE BE IT ORDAINED: Section 1—That said bonds shall be in substantially the following form:

UNITED STATES OF AMERICA, STATE OF KENTUCKY, COUNTY OF BOURBON, CITY OF PARIS.

FIVE (5%) PER CENT SCHOOL IMPROVEMENT BOND.

NO. 1. \$500.00
A gold coin of the present standard of weight and fineness of the United States of America, with interest thereon at the rate of five (5%) per cent. per annum, payable semi-annually on the first days of May and November, of each year, until the payment of the principal hereof, upon presentation and surrender of the proper coupons therefor hereto attached. Both principal and interest hereof are payable at the Bank of America in the City of New York.

This bond is one of a series of seventy bonds of like denomination, tenor and effect except as to maturity, numbered from one to seventy inclusive, aggregating \$35,000.00 in amount and is issued under the authority of the General Laws of the State of Kentucky for the purpose of building and equipping additions to the City Schools of said city and by virtue of an ordinance duly passed by the Council of said city upon the 25th day of March, 1920, the question of issuing these bonds having been duly submitted to the qualified voters of said city at an election duly called and held, at which election more than two-thirds of the electors voting thereat, voted in favor of the issuance hereof.

It is hereby certified and recited that all acts, conditions and things required by law to be done precedent to and in the issuance hereof have been done and have happened in accordance with the law. That this issue of bonds, together with all other outstanding indebtedness of said city is within every limitation of indebtedness and taxation under the laws and constitution of the State; that provision has been made for the levy and collection of an annual tax sufficient to amount to pay the interest hereon and to provide a sinking fund for the payment of the principal hereof at maturity; that the full faith, credit and revenues and all real and personal property of said City are hereby irrevocably pledged for the prompt payment of this bond and interest as the same mature.

IN WITNESS WHEREOF, the City of Paris, Bourbon County, Kentucky has caused this bond to be signed by the Mayor and City Clerk the seal of the city to be affixed and the coupons to bear the facsimile signature of said City Clerk at Paris, Kentucky, this first day of May, 1920.

(SETL)
E. B. JANUARY, Mayor.
J. W. HAYDEN, City Clerk.

The coupons shall be in substantially the following form.

COUPON.

NO. 1. \$12.50
On the first day of November (May) 1920, the City of Paris, Bourbon County, Kentucky, promises to pay to bearer in gold coin of the United States of America of the present standard of weight and fineness, the sum of \$12.50 at the Bank of America in the City of New York, being six months interest then due upon its School Improvement Bond No. 1, dated May 1, 1920.

J. W. HAYDEN, Clerk.
Section 2—Be it further ordained that there shall be and is hereby ordered levied upon the taxable property in the City of Paris, a direct, annual tax sufficient in amount to pay the interest upon said indebtedness as it becomes due, and to provide a sinking fund to redeem the principal thereof at maturity. Said tax shall be in the following amounts in the following years.

For the year 1920, the sum of \$3,560.00.
For the year 1921, the sum of \$3,412.50.

WHERE THANKS ARE FEW

THE NEWS man has thought the matter over a good bit, and we've come to the conclusion that there's no profession on earth where the worker gets less appreciation and more knocks and abuse than in the newspaper game. And we have also reached the conclusion that the reason some newspaper men go to Heaven when they die is they get so much of the other place while they are on earth.

No matter how nobly the newspaper man boosts for the development of his town or community, no matter how loyally he may support a friend in politics or extol the virtues of a citizen of the town, no matter how loudly he sings the praises of the town girls about to be wed, or how gently he lays a wreath of pretty words on the grave of a departed citizen, he seldom hears the magic words "Thank You." And but few times in his busy life does he catch a whisper of that cheering sentiment, "Well done."

But let him make a slip in his paper—let him say some Paris man did something he didn't do, or some Paris woman said something she didn't say, and everybody in Paris is ready to take a whack at him. This is true of the newspaper game everywhere, and being a part of the great world, Paris is no exception. But with all the knocks, all the lack of thanks and the little cheering words that could be said, but which are left forgotten, the newspaper man keeps right on boosting, and he always will. He was born to help the other fellow, and, like the birds, learned early in life that if no one else feeds him, Heaven may. And maybe that's the reason why the Lord keeps so many newspaper men on earth—to keep the balance of the world from souring or turning stale.

SALVATION ARMY CAMPAIGN EXTENDED TO JUNE 1.

"Louisville, May 25, 1920.
"ED. THE NEWS, Paris, Ky.
"Dear Sir:—At a meeting of the State Campaign Committee to-day it was decided to extend the Salvation Army Home Service Appeal Campaign until June 1.

"A number of causes have held back the campaign. Weather conditions have cut down the attendance at mass meetings; in many parts of the State the roads have been impassable; school commencement exercises have figured largely; delay in securing publicity matter from Provincial Headquarters in the East on account of the railroad congestion has hindered.

"Reports from all parts of the State where the campaign has had a fair chance show that the people appreciate the value of the work of the Salvation Army and are ready and willing to support it.

"Again we thank you for your unflinching courtesy during the campaign. It has been a tremendous help to know that the newspapers of the State have contributed so generously to the cause. Commander Booth and her aides appreciate your kindness to the utmost.

"Cordially yours,
"GEO. E. STEPHENS,
"State Publicity Director."

POLITICS THE MAIN INTEREST.

Most of the administrative branches of the Federal government are head over heels in politics—and Congress has a hard time to keep going because most of its members are plumb daffy over the political situation. The only diversion is the performance of Honorable Joseph Daniels and his sea-faring men who are holding moratoriums over the part the Navy performed in the war. The chief interest in their quarrels surrounds the telling of secrets that had better never have been told. Mr. Bryan has a habit of disagreeing with the Democratic party leaders that is enlivening, and the Republican candidates have made one another envious by their tales of the sizes of their campaign funds. The pre-convention disclosures are proof of the old saw about politics making strange bedfellows.

CATARHAL DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts through the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, 75c.

NAMES IS NAMES IN U. S. ARMY

Smiths made up fifteen regiments in the American war army. Johnsons made up eleven more. Browns eight and Williams, Jones and Millers made up more than seven each. Records at the bureau of war risk insurance, where the names of 4,622,422 former service men are indexed, also show that the Anderson and Davis families were represented in sufficient numbers to compose more than five regiments each, and the Wilsons, Moores and Taylors four each.

You never can tell. Many a strong man's will is broken long before it is filed for probate.

PROSPECTS FOR THE BLUE GRASS SEED CROP.

Preparations will soon be under way for the annual harvesting of the blue grass seed crop, which is now fast ripening under the benign influences of warm sunshine.

According to farmers and the seed merchants the seed for this year will not be a full crop, while in some sections of the county the seed is fairly good. The undergrowth in the fields is very bad this season, due to the heavy rains and the cold weather which has prevented the grass from making the showing it would have ordinarily.

No price has been set on the seed for this year from the strippers and will not likely be set until stripping begins, which will be from June 1 to 10, according to seed men.

It is interesting to note that among the earlier Buick Valve-in-Head motor cars manufactured, there are still hundreds of these Models in active daily service. This wonderful endurance—stamina—consistent performance is so well established and maintained that the Buick car has become a definite standard of motor car value.

Prospective purchasers—Buick owners—and the exacting public, find that these Buick assets are the basis for the enviable reputation of the Buick Valve-in-Head car today—this unusual efficiency, quality and performance is found only in the Buick Valve-in-Head motor car.

MUFFINS and POPOVERS

From the NEW ROYAL COOK BOOK

BREAKFAST is too often eaten as a duty rather than a joy. The success of the day may depend upon the spirit of breakfast. The Royal Educational Department presents some breakfast dishes that will send the children to school with a hip hip hurrah and his majesty man to his daily duties with the "up and doing" feeling which knows no discouragement.

Muffins

2 cups flour
4 teaspoons Royal Baking Powder
1 tablespoon sugar
1/2 teaspoon salt
1 cup milk
2 eggs
1 tablespoon shortening

Sift together flour, baking powder, sugar and salt; add milk, well-beaten eggs and melted shortening; mix well. Grease muffin tins and put two tablespoons of batter into each. Bake in hot oven 20 to 25 minutes.

Eggless Muffins

2 cups flour
4 teaspoons Royal Baking Powder
2 tablespoons sugar
1/2 teaspoon salt
1 cup milk
2 tablespoons shortening

Mix and sift dry ingredients, add milk and melted shortening and beat until smooth. Bake in greased muffin tins in hot oven 20 to 25 minutes.

ing and beat until smooth. Bake in greased muffin tins in hot oven 20 to 25 minutes.

Corn Muffins

1/2 cup corn meal
1 1/2 cups flour
4 teaspoons Royal Baking Powder
1/2 teaspoon salt
2 tablespoons sugar
1 cup milk
2 tablespoons shortening
1 egg

Sift together corn meal, flour, baking powder, salt and sugar; add milk, melted shortening and well-beaten egg; mix well. Grease muffin tins and drop two tablespoons of mixture into each. Bake about 35 minutes in hot oven.

Popovers

REPORT OF FARMING CONDITIONS IN DISTRICT.

Unseasonable weather has added to the present difficult agricultural situation in this district. In practically all of this territory spring plowing has been delayed by reason of the cold, rainy weather. During the month of April over 20 days were too wet to permit work in the fields, as compared with the normal average of 5 to 10 days.

Wheat generally has made but fair growth, and the condition on May 1 has not changed from the April report of 68 per cent.

The preparation of corn land in the north-east section of the district is especially backward, being but about one-fourth finished on May 8. The seeding of oats has been rushed and the crop is now about three-fourths in. Germination in the eastern part of the State was not very good, and a considerable acreage has been resown.

Estimates of the damage to clover through winter-killing place the loss at one-third of the crop.

The fruit outlook continues promising, many trees being in bloom, and so far very little damage from frost has been reported.

Farm labor conditions remain about the same. Help is very

scarce and high priced. The situation appears to be worst around industrial centers.

APPRECIATES THE PAPER FROM OLD HOME TOWN.

THE NEWS is in receipt of the following letter from a former Parisian, C. Dorsey Ray, now residing in Los Angeles, Calif., telling of his recent promotion in the Department of Health of that city. That Mr. Ray appreciates the paper from "the old home town" is evidenced from his letter, which follows:

"Los Angeles, Calif., May 26, 1920.

"Dear NEWS: Enclosed please find subscription for BOURBON NEWS for one year. I hardly know what I would do without THE NEWS, as it gives me all the happenings in the old home town, and you know that no matter how far one roams he always likes to hear from home.

"If anyone from Bourbon is coming to the convention at San Francisco, and decides to come through Los Angeles, if they will let me know I will be glad to show them the sights of Los Angeles. All they have to do is call up Central and ask for the Health Department, and I will get in touch with them.

"By the way, knowing you are always glad to know of a Bourbonite's success, I will say that I have just been made Clerk of the Department, ranking next to the Health Commissioner, for which I am duly thankful.

"Best regards to all, 'DORSEY RAY.'"

MEMORIAL DAY.

The annual recurrence of Memorial Day was observed here by no special features. The banks and the postoffice were closed for the day. Numbers of Paris people decorated graves in the cemeteries, but there was no exercises of a public nature. The day was observed in the schools by a special program of exercises appropriate to the occasion.

HEAVY RAINSTORM

A heavy rain, accompanied by an electrical display and the accompaniment of growing thunder, visited this section Sunday night. Rain was reported from the Ruddled Mills vicinity, though it was not heavy enough to do damage. The rain helped to lay the dust which has covered the city and county for several days, and was also useful in making a "season" for the tobacco men. Farmers had every available man and boy, and even some girls at work early yesterday morning getting the tobacco plants transplanted to the fields. The rain was heavy enough to wash out planted fields in several localities.

SOLDIERS' MEMORY HONORED.

"In loving memory of the boys who gave up their lives in defense of their country." This written message attached to a large bouquet of beautiful flowers, was placed Saturday on each of twenty-two trees planted in the Paris Cemetery by the Federation of Woman's Clubs of Paris.

These trees were set out about a year ago by the Federation of Clubs as a memorial to the twenty-two Bourbon county boys who died in hospitals, army camps or on the field of battle. The trees have grown and flourished. Each tree is marked with the name of a Bourbon county soldier or sailor.

CONFEDERATE DECORATION

The memory of the gallant men of Bourbon county, who responded to the call of the South in the strife of over fifty years ago will be revered and revived to-morrow, Wednesday, June 2, at 2:30 p. m., when exercises will be held on the Confederate lot in the Paris Cemetery. The program will be rendered under the auspices of Richard Hawes Chapter, Daughters of the Confederacy, and the members of the local Camp United Confederate Veterans.

These exercises are usually held on June 3, but this year the problem of securing a speaker for the occasion caused the date to be advanced. The graves of the dead will be appropriately marked with flags and flowers, and an interesting program will be carried out.

CHILDREN'S DAY EXERCISES AT PRESBYTERIAN CHURCH

At the close of the Sunday school Sunday morning, the primary grade gave a delightful little children's day exercises, assisted by Miss Marjorie Trisler and Miss Rachel McClintock, from the Junior department.

The subject selected was God's Garden, and the little children, carrying daisies, buttercups, violets, roses and blue-bells, brought their message in lovely little songs and recitations. The tiny little tots as birds and daisies were an inspiration to look at and the rose buds were a joy forever. The buttercups and violets were a bit larger in size, but just as sweet and engaging, while the boys of the class distinguished themselves by the manly way in which they spoke and the heartiness with which they joined in the singing. The special numbers were a beautiful solo sung splendidly by Master Julian Howe, a lovely duet, "Have You Seen Little Bluebirds?" sung by Misses Eleanor Swearingen and Genevieve Dockenbrode in a most winsome manner, and four fine recitations by Master Jimmie Wilson and Misses Carolyn Redding, Madeline McManus, and Gladys Quinn. The little songs calling for the responses from the flowers were sung very gracefully and sweetly by Misses Rachel McClintock and Marjorie Trisler. The exercises were brought to a close by Mr. Robert Harbison, who sang a lovely song to the children, who are "the flowers in God's Garden. Miss Johnson planned and directed the entertainment with only one rehearsal from the children, and she announced that the teachers had decided to give it another time without any rehearsal, just to show what their children can do.

WHAD'YE THINK OF THIS?

War against sale of cigarettes and habit-forming drugs was declared at the convention of the Ohio prohibition party in session at Dayton. Opposition to the sale was voiced in a declaration of principles by the party and in speeches of several delegates. The Rev. H. K. Miller, one of the delegates, declared the people of the United States had done wrong in subscribing to the tobacco fund for the soldiers during the war.

"We were made the dupes of the tobacco trust," he declared.

FRANKFORT CITY COUNCIL ATTACKS "STREET CARNIVALS"

Gambling in any form will be prohibited at any carnival held in Frankfort this season or next. Indecent shows will be suppressed. Nothing will be permitted at any carnival held there this year in violation of the ordinances of the city or the laws of the State.

The city council has Mayor Rosson's word for this declaration, which was made in public to the council in session. Mayor Rosson made the statement during a debate on the question of whether or not the Street Committee of Council should give the carnival company the right to occupy certain portions of Clinton street.

Councilman Simpson fought this proposition, first because he did not want the carnival to come to Frankfort, as he contended that such shows as had been there were a disgrace, and second, because he insisted that the council could not by motion suspend the ordinances of the city, which he contends prohibits street obstructions.

CHICAGO MAN BUYS ENTIRE MOUNTAIN TOWN

The mountain town of Cascade, Colorado, located in Ute Pass, 7,000 odd feet above sea level, in the shadows of Pike's Peak, with a normal population of nearly 200, is now the sole property of Thomas Cusack, Chicago "billboard king."

The entire town, "lock, stock and barrel," has been purchased by Cusack, who plans to make Cascade one of the most famous mountain resorts in the world.

The unique deal whereby an individual purchaser secures possession of an incorporated town, was consummated by the payment of a sum said to be in excess of \$100,000. It turns over Cascade's homes, sidewalks, hotels, light plant, water rights and the town "caboose."

Cascade was incorporated in 1890. It is twelve miles west of Colorado Springs, and its population ranges as high as 1,500 during the tourist season.

BOOZE IS NOT A GOOD CURE

(From the Ames Iowa Intelligencer.)

When a man comes to you all doubled up with pain and declares he will die in your presence unless you procure him a drink of whiskey, send him to a doctor or else give him a dose of Chamberlain's Colic and Diarrhoea Remedy. There is a mistaken notion among a whole lot of people that booze is the best remedy for colic and stomach ache.

STATE CLUB WOMEN ELECT NEW OFFICERS.

The annual election of minor officers was held at the convention of the Kentucky Federation of Women's Clubs in Madisonville, last week. The term of Mrs. Lafon Fiker as president does not expire this year. Those elected were:

Miss Lida Haford, Louisville, second vice president.

Mrs. Stanley Reed, Maysville, third vice president.

Mrs. Benjamin Bayless, Louisville, recording secretary.

Mrs. H. C. Reynolds, Paducah, treasurer.

Mrs. John L. Grayot, Madisonville, auditor.

Mrs. C. P. McAdams, Louisville, chairman civil service committee.

Mrs. Luther Willis, Shelbyville, chairman legislative committee.

Mrs. Josephine Marks, Georgetown, chairman press committee.

Mrs. Edward Post, Covington, chairman political science committee.

Mrs. Cora Wilson Stewart, Frankfort, chairman educational committee.

Mrs. Julia Boldaus, Henderson, chairman health committee.

Mrs. W. T. Lafferty, Lexington, chairman Kentucky history and research committee.

THAT'S RIGHT! MAKE 'EM WORK!

During the war idle persons who did not find some useful occupation were sent to the workhouse or heavily fined. No statute had greater public favor. In different fashion is being received the movement in certain of the large cities of Ohio to utilize the ancient loitering law against loafers. The police have been instructed to watch the labor agencies and when well-paying positions are turned down to make inquiry into the status of the rejecting idlers. In one city the Police Judge sent to the workhouse in one day 12 men who refused to go to work when offered 60 cents an hour. The same thing took place in another large center of population.

This has caused a protest to be made by organized labor councils, who affect to see in this, as they see in a good many other events, an attempt "to impose slavery upon American citizens." Their main objection seems to be against compelling men to work at the price named, which is not the point at all.

The truth is that the offenders will not work at any scale so long as they can sponge off their relatives or society. There is just as much need now for the maximum production of the country as there was during the carrying on of hostilities, and there is no room for the deliberate shirker these busy days.

BEST REMEDY FOR STOMACH TROUBLE.

"I am pleased to have the opportunity to say a good word for Chamberlain's Tablets," writes Mrs. Mamie Bertel, of Moberly, Mo. "I think they are the best remedy for stomach troubles, biliousness and constipation I have ever used. I have taken them off and on for two or three years and they always relieve indigestion, tone up the liver and make me feel fine."

KENTUCKY NOW LEADS IN TOBACCO RAISING.

Kentucky is the leading tobacco growing State in the Union and is fifth in the production of soft coal.

A special committee appointed by the Senate to investigate taxing possibilities found that Kentucky produced 31,313,020 tons of bituminous coal in 1919. The States exceeding Kentucky in coal production were Pennsylvania, West Virginia, Illinois and Ohio.

With reference to tobacco, the committee report shows that Kentucky produces as much tobacco as the two next largest tobacco-producing States. It is estimated that Kentucky raised 435,000,000 pounds of tobacco in 1919, North Carolina being second with 232,000,000 pounds and Virginia third with 146,300,000 pounds. Ohio grew 113,000,000, and four other States, Wisconsin, Pennsylvania, Tennessee and South Carolina raised from 62,000,000 to 65,000,000 pounds each.

The report makes no recommendation as to taxing these two staples beyond a report on production.

The Movies of 1713. On another page of this paper was printed recently an alleged newly discovered manuscript by Aristotle philosophizing on the movies. Mr. Walkly was joking, of course; but there is no joke about this extract from Swift's "Journal to Stella," dated March 27, 1713: "I went afterward to see a famous moving-picture, and I never saw anything so pretty. You see a sea ten miles wide, a town on 't'other end and ships sailing in the sea and discharging their cannon," etc.—Boston Transcript.

Does He Live in Our Town?

He will await his turn at the ticket window or in other public places cheerfully; he will stand patiently while the clerk in the store waits on the customers ahead of him. But when the telephone operator takes a few seconds longer than usual to answer his call he swells all up and says the service is "rotten."

He can see that the clerk and the ticket seller are busy, but he cannot see the telephone operator—so he thinks she must be lazy, or "asleep!"

He forgets that others are frequently ahead of him at the telephone switchboard, the same as at the ticket window or in the store; that calls are coming in in rapid succession and must be answered in their turn; that when half a dozen subscribers all call at the same time, they can't all be answered first!

LEAGUE OF NATION EXPENSES \$1,250.00 TO DATE

The budget of expenses of the League of Nations from its organization up to July 1, will total approximately \$1,250,000. The figures will be presented to the league council at its Rome meeting. This sum includes both direct and indirect expenditures, the latter covering preliminary costs of numerous commissions and other bodies, and the total represents the complete organization period of the league machinery.

Salaries represent the heaviest items in direct expenditures totalling \$485,000, while the international labor office, at \$290,000, ranks first among indirect costs, with the commission of inquiry to Russia second at \$105,000. Included in the labor office expenditure is \$80,000 to pay the league's share of the expenses of the Washington labor conference.

KENTUCKY BAPTISTS LEAD IN MISSIONS CAMPAIGN.

Kentucky leads with \$361,338, every State of the Southern Baptist Convention in the amount of money paid in for Foreign Missions at the close of the first fiscal year to the \$75,000,000 fund raised by the Baptists. This report was made at the First Baptist Church, in Frankfort, by W. H. Farmer, who had returned from the Southern Baptist Convention held recently in Washington.

There was subscribed \$92,000,000 in the \$75,000,000 campaign. The entire work in this campaign cost only four-fifths of 1 per cent. of the amount subscribed. This record Mr. Farmer said, was never equalled in the history of any campaign or organization, in refutation of stories of the large amount of the money used in promoting the campaign.

The entire campaign in the Franklin Association did not cost the fund one penny, declared Mr. Farmer. Every penny subscribed went into the fund.

A BIT OF ADVICE

First — Don't Delay. Second—Do Not Experiment

If you suffer from backache, headaches or dizzy spells; if you rest poorly and are languid in the morning; if the kidney secretions are irregular and unnatural in appearance, do not delay. In such cases the kidneys often need help. Doan's Kidney Pills are especially prepared for kidney trouble. Ask your neighbor. They are recommended by thousands. Can Paris residents desire more convincing proof of their effectiveness than the statement of a Paris citizen who has used them and willingly testifies to their worth?

Wm. W. Dudley, 1729 Cypress Street, Paris, says: "Some years ago I found it necessary to use a kidney remedy and as I had read about Doan's Kidney Pills, I used them. They proved to be satisfactory and permanently rid me of the complaint. I have good reason to recommend Doan's Kidney Pills and advise their use to anyone troubled with a weak and lame back or irregular passages of the kidney secretions."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Dudley had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

AGED SIXTY-EIGHT GAINS TEN POUNDS

Feels He Owes It To His Neighbors and Public To Tell What Tanlac Did.

"Tanlac has been such a great help to me that I told my wife I was coming down here and tell you about it," said James W. Caswell, when he called at Taylor-Isaacs drug store in Louisville, Kentucky the other day.

Mr. Caswell, who lives at 324 West Brandies street, Louisville, has been employed by Mengel Brothers & Company for the past fifteen years and is highly respected by all who know him.

"Why, do you know," added Mr. Caswell, "I have actually gained ten pounds in the past thirty days. This strikes me as being remarkable, especially for one of my age, as I am now sixty-eight, and I feel that I owe it to my neighbors and the people generally to state publicly what Tanlac has done for me. For several months previous to taking Tanlac I was in a badly run-down condition, my bones ached, I felt weak and tired all the time, and my nerves were so unsteady that I could hardly drink my coffee without spilling it out of the cup. I actually dreaded to go to bed, for I would just fidget and squirm around and found it next to impossible for me to get to sleep, and I always got up with that awful tired feeling. I had no appetite and suffered a great deal from a sour, upset stomach. I would bloat up so bad at times that I could hardly fasten my trousers around my waist. I never felt like work and seemed to be steadily going down hill all the time."

"But it didn't take Tanlac very long to rid me of those miserable feelings and set me right again. By the time my first bottle was gone I was feeling like a different man. My appetite is so ravenous that meal time comes too slow for me now and I can eat what I want and all I want without feeling a touch of indigestion. My nerves have steadied down and for the first time in a long while I am able to sleep soundly. Really my nerves are as steady as when I was a boy and I am feeling as well as I ever have in my life. Tanlac is certainly an unusually fine medicine, and I want to do my part in letting the people know about it."

Tanlac is sold in Paris at the Peoples' Pharmacy.

A CHANCE FOR MEN TO BE GOOD SCOUTS.

Frequently some men are heard to say: "I wish there had been Boy Scouts when I was a boy. I'd like to have had their chance of having a real gang and doing the things they do in the outdoors."

Why cry over spilled milk? No one is too old to be a Scout. There are 15,942 men serving as Scoutmasters, and 18,694 hold commissions as Assistant Scoutmasters. For each of the 17,633 troops organized there is a committee of three men whose duty is to back up the Scoutmaster and assist the troop in every possible manner.

There is a crying need for more leaders, as there are thousands of boys waiting to get into troops. If you wish you had been a Scout, you can at least lead the boys now to be Scouts. It will do you a lot of good yet, and also do the boys a great amount of good.

There is nothing in life so full of genuine satisfaction as to be of service to and hold the wholesome admiration of 32 youngsters.

LIFT OFF CORNS

WITH FINGERS

Doesn't hurt a bit and costs only few cents

Magic! Just drop a little Freezone on that touchy corn, instantly it stops aching, then you lift the corn off with the fingers. Truly! No humbug!

Try Freezone! Your druggist sells a tiny bottle for a few cents, sufficient to rid your feet of every hard corn, soft corn, or corn between the toes, and calluses, without one particle of pain, soreness or irritation. Freezone is the discovery of a noted Cincinnati genius.

The public is getting a trifle out of it.

CUT THIS OUT AND TAKE IT WITH YOU

A man often forgets the exact name of the article he wishes to purchase, and as a last resort takes something else instead. This is always disappointing and unsatisfactory. The safe way is to cut this out and take it with you so as to make sure of getting Chamberlain's Tablets. You will find nothing quite so satisfactory for constipation and indigestion.

WARM WEATHER KEEPS THE FARMERS BUSY.

The average Bourbon county farmer is not losing much time just now, as with the advent of warm weather, just what he has been looking for, he is putting in all the time possible. The weather conditions have been very favorable in the past few days. Corn planting, interrupted by the cool and wet weather, has been resumed, and more than half the crop is now planted. Early planted corn is coming up well. Tobacco setting is being pushed vigorously, but the bulk of the crop will not be out before the first of the coming month. Grass is growing rapidly. Wheat is doing well, and the rye is headed out. Oats look fine and potatoes are growing fast. The fruit crops are reported as being uninjured. Country produce and vegetables are coming in more freely, and there has been but little decline in prices. Homegrown strawberries are due on the local market soon. There is not much activity in the livestock markets—but, in spite of all, the farmer is busy.

WASTED ENERGY

A great wealth of energy equal to ten times the horsepower generated by Niagara Falls goes to waste on our farms. The Government has been experimenting in a special station near Washington in burning straw, corn stalks and other fodder which is commonly thrown away. By using a little retort built for the purpose a farmer can transform this waste product into enough gas to light and heat his home and have enough besides to run his farm machinery. If all the farmers of the country can be persuaded to burn up their refuse in this way the energy saved will add about \$2,000,000 to the wealth of the country every year.

MILLERSBURG

Miss Martha Green Sharp, of Mayville, is the guest of Mrs. J. Clarke Leer, Jr.

Mr. and Mrs. M. C. Grimes entertained a number of friends with an elaborate dining Sunday.

Mr. D. E. Clarke and family and Mr. J. S. Clarke were guests Saturday of relatives at Oakwoods.

Miss Eva Hardie, of Korea, has arrived for a visit to the Misses Fisher, at the Millersburg College.

J. T. Judy and sons, William and Norman Judy, left yesterday for a few days' visit to the former's sisters, Mrs. J. R. Vaught and Mrs. A. M. Vaught, in Indianapolis.

Misses Hattie Wood and Christine Patterson spent the week-end at Wilmore, taking in part of the commencement exercises of Asbury College.

Mrs. Henson has returned to her home after a two-weeks' visit to her mother, Mrs. W. J. Slater, and two little sons, Masters Thomas and William Henson.

Mrs. R. M. Caldwell and little son, Master Robert Bayles Caldwell, were guests of her mother, Mrs. Bayles Debell, at Ewing, Saturday night and Sunday.

There was a meeting of citizens at the office of the Millersburg Coal and Lumber Co., Saturday evening, for the purpose of recommending a principal for the new graded school here. No action was taken, as the committee could not agree on the recommendations.

The final baccalaureate sermon of the M. M. I. was delivered Sunday at 10:45 a. m., at Methodist church. The services was a community service, in which all the local pastors of the town took part. The spacious auditorium and lecture room were well filled long before time, as many went early in order to get good seats. At the appointed time the corps of cadets, preceded by the class of 1920 entered the church. The audience arose to their feet as the organ and piano began to play the "Star Spangled Banner."

As M. M. I.'s beautiful flag was carried down the center aisle of the church to the front, after which the entire congregation sang the "Star Spangled Banner." The sermon was preceded by a beautiful musical program, which was under the direction of Mrs. D. P. Jones. The choruses and athenas were well chosen, and it was one of the best we have heard on such an occasion.

Dr. C. C. Fisher, President of the M. C. delivered the divine invocation. It was a prayer full of feeling, especially adapted to the cadets, Col. and Mrs. Best, and the faculty of the school. The scripture lesson was read by Elder W. J. Slater, of the Christian church, after which Rev. W. W. Morton, of the Presbyterian church, preached the last baccalaureate sermon for this beloved institution, his subject being "A Dream of Dreamers," which was based upon the dreams of Joseph. His address was most appropriate, as it was preached directly to the class and cadets as a whole, emphasizing his thoughts with the necessity of having a purpose in life. It was a masterpiece of thought and eloquence, and all enjoyed it. At the close of the address, Rev. Adams, of the M. E. church, made a short talk. The services closed with the benediction by Rev. R. K. White, of the Baptist church. The entire calendar for the commencement exercises will be found elsewhere.

ATTENTION, FARMERS!
The tobacco season is late, but the use of some of SWIFT'S high grade Fertilizer, containing FIVE PER CENT POTASH, will hasten the growth and bring the crop to maturity in ample time. We strongly recommend using this, more especially a season like the present. We still have a limited amount of this SPECIAL Tobacco Fertilizer unsold, and would advise placing your order NOW.

MATRIMONIAL.

A marriage license was issued Saturday from the office of County Clerk Pearce Paton to Miss Grace Allen, of Millersburg, and Joseph Hampton, of Lexington.

Dame Rumor is busy again. This time the knowing old woman tells us, in a stage whisper, that Cupid has cast his spell over a handsome widow, formerly residing in Paris, now of Lexington, and a prominent Louisville & Nashville official. The young woman is one of the most attractive former residents of Paris, and is now connected with — but never mind that! It is said the wedding will take place this month.

FORBES—TURNER.

Relatives in this city and county have received messages from Los Angeles, California, announcing the marriage in that city a few days ago of Louis Turner, formerly of Paris, to Miss Etta Forbes, of Los Angeles. No details were given, other than the groom's fervid declaration "She's the sweetest girl in all California."

Mr. Turner is a son of Mrs. Edward Turner, of near Paris, and is a graduate of the Millersburg Military Institute, where he stood high in his classes, and held the esteem of his fellow students and the faculty of M. M. I. He has been in Los Angeles about a year, and is now holding a responsible position with the Los Angeles Real Estate & Trust Co. His bride is a charming and attractive young woman.

Trying to do business without advertising is like winking at a pretty girl in the dark; you may know what you are doing, but nobody else does.

DEATHS.

HARRISON.
Funeral services for Mrs. Mary Catherine Harrison, who died in Lexington, last Wednesday, were held at the family home in that city Saturday afternoon, at two o'clock, conducted by Rev. J. L. Clark. The pall-bearers were Chas. H. Berryman, Adolph Grebel, J. Lyons, Harmon Stitt and Nelson H. Smith. The body was brought to Paris, Saturday afternoon at four o'clock and interred on the family lot in the Paris Cemetery by the side of her husband. A short service was conducted at the graveside by Rev. C. H. Greer, of the Methodist Church. The pall-bearers were E. B. January, Sherman Stivers, Henry A. Power, James McClure, E. M. Wheeler and Chas. P. Mann.

ELGIN.

Following a long illness of tuberculosis, Joseph Redmon Elgin, aged 36, died at 3:30 o'clock, yesterday morning, at the home of his mother, Mrs. Annie Redmon Elgin, on Seventh street. Mr. Elgin had been ill in a hospital in Baltimore, and realizing the end was not far off, he was brought to his old home.

Mr. Elgin was a son of the late Jeff C. Elgin, former Chief of Police of Paris, who preceded him to the grave several years ago. He had been in the East for several years, where he officiated at several race tracks as assistant starter. He was identified with turf interests in the East and West for many years, and was considered an expert judge of thoroughbreds. Besides his mother, Mr. Elgin is survived by one brother, Jeff C. Elgin, of Memphis, Tenn. The funeral will be held at the family residence on Seventh street, at four o'clock to-morrow afternoon, with services conducted by Rev. W. E. Ellis. The burial will follow on the family lot in the Paris Cemetery.

HOWARD.

Mrs. Fannie Ginn Howard, aged fifty-six, died in a Cincinnati hospital, last week, after an illness of over two months. The body was taken to the home of her sister, Mrs. W. D. Cook, in Covington. The body, accompanied by members of the family, arrived in Lexington, Friday night, and was taken to the home of her sister, Mrs. W. G. Butler, on College View Avenue. The funeral took place at the Butler home at ten o'clock Saturday morning. The burial followed on the family lot in the Lexington Cemetery.

Mrs. Howard is survived by two sons, Edward and Donald Howard, and one daughter, Miss Ora Howard, all of Lexington; two sisters, Mrs. W. D. Glick and Mrs. W. D. Cook, both of Covington; five brothers, Ira Ginn, Cincinnati, Clinton Ginn, Lexington, Robert Ginn, Lexington, Alonzo Ginn, Hutchison, James Ginn, Paris, and Wesley Ginn, Mt. Sterling.

The pall-bearers were Alonzo Ginn, Iris Ginn, James Ginn and Trenton Ginn.

PARKER.

Mrs. Emily Hibler Parker, aged seventy-eight one of the best-known of the older residents of Paris, died at her home, at the corner of Main and Thirteenth streets, in this city, at three o'clock, yesterday morning, after an illness of but a few days, due to the infirmities of age.

Mrs. Parker was a sister of the late Mr. Henry Hibler, one of the most prominent farmers of Bourbon county, who died at his home near Paris several years ago, and was the widow of Mr. W. A. Parker, who for many years was secretary of the old Bourbon County Agricultural Association. She was a woman of the highest Christian character, and was a life-long member of the Paris Christian church. Her kindness of heart and amiability of character made and held close to her a large circle of friends, who esteemed her highly. She was essentially a home-lover and there she was pleased to receive and entertain her friends.

Mrs. Parker is survived by two sisters, Mrs. Lavinia Ricketts, of Madison, Wisconsin, and Mrs. Lucy Sparks, of Midway, and one brother, J. Harvey Hibler, of Paris. Her two sons, Harry Parker, and W. A. Parker, died some years ago, the former in New York, and the latter in Paris, where he was engaged in business.

The funeral will be held at the residence, this (Tuesday) afternoon, at three o'clock, with services conducted by Rev. W. E. Ellis, pastor of the Paris Christian church. The interment will follow on the

family lot in the Paris Cemetery. The pall-bearers will be J. Will Thomas, Harvey Hibler, Thos. E. McDonald, James McClure, Bishop Hibler and Dr. J. T. Vansant.

GLENN.

Following a two-weeks' illness from hardening of the arteries, Mr. Michael J. Glenn, aged about seventy-eight, one of the best-known farmers of this county, died at his home on the Little Rock pike, near Paris, Friday morning.

Mr. Glenn was a native of Galway, Ireland, and came to Kentucky in 1867. He located near Paris, where he was for years engaged in farming. For several years during the life of the toll-gate system in Kentucky, Mr. Glenn was keeper of the gate on the North Middletown pike, near Paris. When the system was abandoned, he purchased a small farm on which he resided to the time of his death. He was honorable and upright in all his dealings, and by frugality and thrift was enabled to lay up a competence which enabled him to spend his declining years in comfort.

Mr. Glenn is survived by his widow, who was formerly Miss Mary Kenney, and by the following children: Miss Mary Glenn, Mrs. J. W. Connell, Joe Glenn, George Glenn and Martin Glenn, all of Paris, and James Glenn, of New York. A brother, Martin Glenn, Sr., died in Cincinnati several years ago.

The funeral was held at the Church of the Annunciation, in this city, Saturday morning at nine o'clock, with services conducted by Rev. Father Thos. Coleman. The burial followed on the family lot in the Paris Catholic Cemetery. The pall-bearers were Matt Maloney, A. J. Fee, E. M. Costello, Martin Doyle, James Shea and Dr. F. P. Campbell.

ANTI-RACE BETTING BILL NOT REPORTED.

That the Simms-Sterling bill prohibiting the inter-state transmission of racing results will not be reported by the committee at this session of Congress was learned Saturday. The bill, which has been fought vigorously by horse breeding and racing interests on the ground that its passage would practically put an end to racing and thoroughbred horse breeding, will repose quietly in a pigeonhole of the House Committee of Interstate and Foreign Commerce during the recess of adjournment of Congress.

It is very doubtful whether a report will be made upon the measure at any time, but certainly no report is in sight now.

BIRTHS.

In Meridian, Miss., last week, to the wife of L. K. Clapper, a son, christened Hubbard Grady Clapper. Their fourth child, all boys. The mother was formerly Miss Georgia Grimes, of Paris.
